Welcome to
ANCONA
(Italy)

Ancona is both a city and a seaport on the Adriatic Sea, the capital of the region Marche, which is located in central Italy. The town is finely situated on and between the slopes of the two extremities of the cape of Monte Conero, Monte Astagno, occupied by the citadel, and Monte Guasco, on which the Dome stands. The latter, dedicated to St Judas Cyriacus, is said to occupy the site of the temple of Venus, which is mentioned by Catullus and Juvenal as the deity of the place.

DISEMBARKATION PROCEDURES:

Please note that, when we arrive in Ancona, disembarkation will not begin until we receive permission from the local authorities to commence disembarkation. We kindly ask you, do not overcrowd the Reception - Guest Service on deck 5. Please remember to show your Cruise Card at the gangway exit.
